CDT EUROPE AISBL INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

In accordance with our assignment described below and confirmed by our engagement letter dated of March 25th, 2024, we report to you on the audit of the annual accounts for the financial year ended December 31, 2023.

We have audited the annual accounts of CDT Europe for the financial year ended December 31, 2023, established on the basis of the financial reporting framework applicable in Belgium, the balance sheet total of which amounts to € 579.583 and of which the income statement shows a loss for the year of € -3.546.

The board of directors is responsible for the preparation of annual accounts that give a true and fair view in accordance with the financial reporting framework applicable in Belgium, and for such internal control as the board of directors determines is necessary to enable the preparation of annual accounts that are free from material misstatements.

In accordance with our engagement letter, our responsibility is to express an opinion on these annual accounts based on our audit. We carried out our audit according to the Belgian Audit Standard for SME's and Associations as promulgated by the Belgian Institute of Registered Auditors. This standard requires us to plan and perform the audit in order to ensure that the annual accounts do not contain any significant anomalies. We have complied with all the ethical requirements which apply to the contractual audit of annual accounts in Belgium, including those concerning independence as provided for by said standard.

Our audit involves the implementation of procedures as provided for in the Belgian Audit Standard for SME's and Associations as

promulgated by the Belgian Institute of Registered Auditors in order to collect various evidence concerning the amounts and information provided in the annual accounts. The choice of the procedures implemented, including a limited assessment of the risks that the annual accounts contain material misstatements, is a matter for the professional judgment of the independent auditor. In carrying out this risk assessment, we have defined audit procedures appropriate to the circumstances, and not for the purpose of expressing an opinion on the effectiveness of CDT Europe's internal control system.

We believe that the audit evidence gathered is sufficient and appropriate to provide a basis for our opinion.

In our opinion, in accordance with the Belgian Audit Standard for SME's and Associations as promulgated by the Belgian Institute of Registered Auditors, the annual accounts attached give a true and fair view of the assets and financial situation of the association CDT Europe as of December 31, 2023, as well as of its results for the year ended on that date, in accordance with the financial reporting framework applicable in Belgium.

This report may not be used for other purposes and its diffusion is limited to the use intended in the engagement letter.
